No charge is being made now and full payment must be made at the marina at the time of the charter. **Only cash or travelers checks for payments.** If client cancels for any reason from this date on, 50% will be charged to the above card. If the client doesn't show at the marina at the time and date of the reservation this will be a full charge on the credit card. If customer cancels within 48 hours the reservation full charge policy will apply. Rain is not a reason for cancellation it gets better when it rains, if for any reason the Captain cancels the charter there is no penalty charge. I agree in all terms above.
